Redefine What Colors Say

But first, let's get you an account first; otherwise, how are you gonna keep track of all those colors?

(I mean, there are just over 16 million web colors!)

How to manage your color profiles

To begin working with an existing color profile, just select it from the list on the right.

If you want to create a new profile, just select the '+' plus sign on the top of this column.

Want to delete a color profile? Just select the color profile you want to delete from the list, highlighting it. Then select the trash icon above.

Profile Name
